Coming Events

The Cheero branch of the Rugby W.I. are holding an entertainment and dance at the Melvin School on Feb. 22nd.

Saturday afternoon, Jan. 26th, at 2 o'clock Mr. A. B. Claypool, M.L.A. will speak at the Mountain View Community Hall, his topic being a summary of his past year's work in the Legislature. Hon. Percin Baker, Minister of Education will also give a short outline of the new proposed rural school system.

Following the Minister of Education will speak in the new Knox United Church at 8 p.m. Didsbury local U.F.W. invites the citizens of the town and district to be present.

J. D. Thomas, Sec. Treas.

"Pioneer" Want Ads bring results.

DIED

Mrs. Marie Mueller, after nearly three weeks illness with pneumonia, passed away on Wednesday morning, Jan. 23rd. The funeral services will be held Friday afternoon at 2 o'clock from the Evangelical Church. Obituary will follow next week.

TELEPHONE SERVICE STEADILY GROWING

The steady growth of the Alberta Government Telephone System is indicated by the announcement in the monthly letter of the department that for the first time in the history of the system over 60,000 telephone stations are in operation. The exact number shown at the end of the year is 60,222 representing a gain of 3,171 during 1928. A large number of telephones have been installed recently around the following points on

NEW KNOX CHURCH DEDICATED SUNDAY

Sunday last proved an important day in the annals of Didsbury events when the new Knox United Church, Rev. A. E. Hayes, Minister, was opened to the congregation and duly dedicated for its purpose by the Rev. J. M. Millar, D.D., Principal of St. Stephen's College, Edmonton. Services were held both morning and evening and the edifice, of which the congregation might well be proud, was packed on both occasions. A report of these services will appear in next week's issue.

Monday Night's Program

True to their established reputation the Ladies' Aid of the Church served a sumptuous turkey supper in the basement of the new building Monday evening. The weather was severe but a good crowd filled the auditorium of the Church where a varied program was prepared.

A violin trio composed of Mrs. C. Adshend and Messrs. F. Penny and J. Boorman accompanied on the organ by Mrs. J. Boorman rendered two selections; Mr. Alec Robertson rendered two vocal selections; Mrs. Huget a recitation and a male quartette of the Church offered a selection. Rev. H. E. Roppel of the Evangelical Church brought greetings.

The latter part of the evening's program was in the form of an illustrated lecture by Rev. Millar on Sir Ernest Shackleton's expedition into the regions of the South Pole. These photos were unique and interesting to the extreme, a rare treat.

WEDDINGS

WEBER-GOODHAND

A quiet wedding took place in St. Andrew's United Church, Moose Jaw, Wednesday evening, January 16, at 6 o'clock, when Miss Jessie May Goodhand, youngest daughter of Mrs. Charlotte Goodhand, of Moose Jaw, and the late George Edward Goodhand, became the bride of Mr. Ivan M. Weber, Didsbury, Alberta. Rev. C. H. Dickinson officiated. Mr. and Mrs. Weber are spending their honeymoon in Los Angeles, and upon their return will reside at Didsbury, Alberta.

the new Willingdon-Edmonton line, Elk Island, St. Michael, Andrew, Griesbach, Willingdon, Starr, Josephsburg, Wostock and Beaver Hill.

HOME AND FARM FATAL PLACE FOR FATAL ACCIDENTS

NEW FREE BOOKLET IS AMAZING REVELATION OF COMMON CAUSES OF PREVENTABLE ACCIDENTS

Did you ever look around your home and farm, and note how many preventable causes of accidents are threatening the well-being and even the lives of those who are near and dear to you?

Perhaps many of those things are so familiar to you that you would not notice them anyway, and perhaps it never struck you that your home and its surroundings may be even more dangerous than the traffic-crowded streets of a big city.

A revelation of the common dangers of the home and its surroundings is contained in a remarkable booklet entitled "Farm Hazards" a free copy of which can be obtained by anyone on application to the local branch of the Bank of Montreal. This booklet, which records the fact that about one in four of the fatal accidents in this country actually occur in the home, is designed to awaken the people of the rural districts of Canada to the distressing prevalence of preventable accidents at home, and to show how easily most of these accidents can be prevented.

Though it is full of good advice, it is not necessary to read the booklet to discover how amazingly fertile the average home and farm is in the things that make for accidents. The whole story as to how accidents happen and how they can be prevented is given in actual photographs, over 300 of which are reproduced. There is also a chapter on first aid remedies, telling exactly what to do when anyone gets hurt.

Safety organizations have done much in the cause of accident prevention in the cities, but hitherto little has been done in the cause of accident prevention on farms and in country homes.

The Bank of Montreal by issuing this booklet is doing its part to supply the deficiency. Get a copy. It is free, and may save life or limb in your own family.

Immigration for Canada from the United States this year is 25% greater than a year ago.

DIDSBURY LOSES TO OLDS 2-0

The local hockey team made its first appearance at Olds last Thursday night. Owing to snow falling late in the afternoon it was not possible to flood the ice which made it quite heavy with the result that neither team went their regular stride.

Periods one and two were scoreless. In the second Didsbury played their best, making rush after rush, but were unable to penetrate the Olds goalie, R. Maybank, who was the life saver for Olds. In this period the local puck chasers had approximately 5 to 1 shots against Olds.

The third period both teams were out to score, Olds being successful in securing two goals in the last five minutes of play. It was a hard game for the locals to lose as they had the best of the play most of the game.

The tourist "industry" is now quoted as Canada's second greatest source of income, amounting to \$275,000,000 a year. It is greater than the mineral production of the Dominion but less than the wheat exports.

Town of Didsbury

Notice

of Annual Meeting

PUBLIC NOTICE is hereby given that a meeting of the electors of the Town of Didsbury will be held in the High School, Didsbury, on Friday, the 25th day of January, 1929, at 8 o'clock, P.M., for the purpose of receiving the Auditor's report of the finances of the Town up to the preceding 31st day of December and for the purpose of receiving the reports of the Chairmen of the various committees of the Council.

Dated at Didsbury, Alberta, this 18th day of January, 1929.

W. A. AUSTIN,
Secretary-Treasurer.

SCOTCH LASSIES FIGURE IN FISH WIVES DANCE

This will be one of the outstanding features of the first Sea Music Festival held at Vancouver, January 23-26, under the auspices of the Canadian Pacific Railway. Headquarters of the festival will be at the Hotel Vancouver and an unique programme of sea chanties, songs and dances will be given by distinguished singers, fine instrumentalists and well trained artists, under the musical direction of Harold Eustace Key.

Western Canada in the Spotlight

The attention of people in all parts of Canada, and, in fact, of the world, will be directed to the prairie provinces of this Dominion during the next few months in a way and to an extent probably unprecedented in the history of any country, by reason of the applications to the Dominion Parliament for charters to build many hundreds of miles of railway in the northern portions of Manitoba, Saskatchewan and Alberta.

Both the Canadian Pacific and the Canadian National Railways are asking Parliament for power to enormously extend their lines into the north country, and both announce their eagerness to proceed with the work of construction with the least possible delay. There is the keenest kind of rivalry between these two giant systems for rights into certain sections of this territory, with the result that a battle royal will take place at Ottawa when Parliament assembles.

One thing emerges quite clearly from the situation that has developed with almost startling suddenness, and that is, that, despite all former statements and predictions to the contrary, the railway managements of Canada are now convinced of the enormous wealth of natural resources in the more northerly portions of Canada and of the success of the Hudson Bay Railway and Hudson Bay route to the markets of the old world.

There had long been a suspicion in the minds of many Western people that the former opposition in Montreal and other Eastern centres to the construction of the Hudson Bay Railway was based, not on their professed scepticism as to the feasibility of the route, but because of their belief that the route would prove to be an unqualified success, with all the upheaval which the opening of this short route from the heart of the prairies to the markets of the world would cause in existing transportation conditions, rates, and routing of traffic.

Examination of the plans of the railways, as thus far outlined, indicate a reversal of formerly held views that the people of Western Canada should be served by lines running east and west, with all the tremendous production of the prairies moving out either to the Atlantic or the Pacific seaboard, and all our imported products coming in through the same ports. Now, both of the great railway companies appear to be determined to connect up their east and west lines by short branches here and there and the construction of great north and south main lines, all stretching hundreds of miles north of existing settlement and heading towards tidewater in the north. A veritable railway revolution is in prospect.

This declaration of absolute confidence in the northern half of these prairie provinces, and in the Hudson Bay outlet, evidenced by the willingness of the biggest financial men in Canada interested in the C.P.R. to expend tens of millions of dollars in northern extensions, will attract the attention of the whole world and will constitute the greatest publicity this section of the Dominion has ever received.

Regardless of the decisions reached by Parliament as to division of the northern territory between the rival systems, and the respective zones to be allotted to each, the result will be to roll back the map of Canada hundreds of miles. The old reproach and weakness of Canada that it consisted of a narrow strip of more or less settled territory extending thousands of miles from the Atlantic to the Pacific along the Canada-United States boundary line, is to be removed. To the Dominion will be given great depth as well as great width, and what for centuries has been looked upon as barren wastes of extensive territory, but of no value, will become a storehouse of treasure, the development of which will add enormously to the population and wealth of the Dominion, providing new avenues of employment, and diversified employment at that, for the people of Canada.

Arsenic in Canada

All the white arsenic produced in Canada is obtained by treating the arsenical silver-cobalt-nickel ores of northern Ontario. Arsenical gold concentrates are shipped from British Columbia to the United States.

Canadian Cheese

The production of factory cheese in Canada in 1926 amounted to 171,731,631 pounds. The value was \$61,753,390.

Utilizing Coal Resources

The new Fuel Research Laboratories of the Department of Mines at Ottawa, were designed and the equipment selected with a view to carrying out investigations which would be in the interest of the development of the coal resources of the Dominion.

Snake bites kill more than \$1,000,000 worth of cattle in Texas each year.

Simple Precautions Against FLU

Sore Throat —

— The Danger Signal

Health Authorities Point Out The Necessity Of Treating The Simple Cold At Its Beginning

Nearly every case of "Flu" starts with a simple cold. At first the throat is sore—often just a little hoarse—soon the infection goes lower—then the chest is affected. A safe plan is to gargle the throat three times daily with "Nerviline"—this will keep the throat free from germs. If there is any sign of tightness in the chest, rub on Nerviline—every drop will penetrate deeply—congestion will be relieved—the cold will break up quickly. Many a dangerous case of "Flu" can be avoided by this simple home treatment.

Of course it is always wise to take some relaxing medicine, and for this purpose immediate results will be secured from Dr. Hamilton's Pills—they purge the system of impurities and carry off a lot of disease—breeding wastes.

This combination treatment of Nerviline and Dr. Hamilton's Pills is very effective for Grippe, Influenza, Bad Colds, etc., and can be relied upon to give very satisfactory results.

Alberta's Peer's Estate

Estate Of Earl Of Egmont Estimated To Approximate One Million Dollars In Value

That the estate to which the Earl of Egmont, of Priddis, Alta., has fallen heir, will approximate one million dollars is an estimate made at Calgary with his assistance.

The bulk of the estate comprises Avon Castle, the family seat at Ringwood, Hants, and 1,309 acres surrounding it.

Some \$40,000 has been spent lately in improving the land and the residence, declared the new earl.

In addition, he says, there are investments in stocks and shares and in war bonds amounting to a large total.

A STOMACH RESTORER

Good Advice From One Who Had Suffered Much

Discomfort after eating, gas pains in the intestinal tract, pains around the heart, sour risings in the throat called heartburn, are common symptoms of dyspepsia. It is a condition often neglected until it has done permanent harm, yet the treatment is simple. The great contributing cause to this trouble is thin blood. Good blood and plenty of it is required by the stomach to function properly. If the blood is thin the stomach becomes sluggish, food lies undigested, gas forms causing pains, often around the heart. Instead of getting nourishment from the blood the system gets poison. The proper treatment is to enrich the blood, and there is no other medicine can do this as promptly or as effectively as Dr. Williams' Pink Pills. The sole mission of these pills is to make new, rich, red blood, which reaches every organ and nerve in the body, and thus not only banishes indigestion and dyspepsia, but also all other troubles having their origin in weak, watery blood.

The splendid results following the use of Dr. Williams' Pink Pills is shown by the case of Mrs. Lucy A. Cushing, a former resident of Kempt, N.S., but now living with her son at West Bethel, Me. Mrs. Cushing says:—"I have no hesitation in strongly recommending Dr. Williams' Pink Pills. For years I was a great sufferer from indigestion. Always after eating I suffered from pains in my stomach and other distressing symptoms that accompany this ailment. I tried different doctors while residing at my old home and also at West Bethel, but without getting relief. I was advised by a friend to try Dr. Williams' Pink Pills. I did so and I must say that I am feeling very grateful ever since to the good friend who gave me the advice. I soon found the pills helping me and by the time I had taken nine or ten boxes I was completely restored to good health. Though I am now in my 76th year I am feeling as well and smart as I did at 35, and am enjoying life once more."

You can get these pills through any dealer in medicine, or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Speakers At Dinner

Of Canadian Society

U.S. and Canadian Senators Guests At Function In New York

The Canadian Society of New York helped to strengthen the North American entente cordiale by bringing together as their guests at their annual dinner two senators, one from the Canadian Upper Chamber, Hon. C. P. Beaubien, K.C., and the other from the United States House, Hon. Simeon D. Fess, of Ohio. The speakers dealt with the aspirations of the two countries.

Senator Fess frankly discussed the two chief issues now agitating the Congress, the Kellogg treaty and the new cruiser program, and he readily supported both. The United States, he declared, should not put any obstacle in the way of the effort to banish war.

Senator Beaubien reviewed the development of Canada in recent years and painted a glowing picture of the Dominion's future.

"Canada, with a vision quickening and widening, has remained sober-minded, fairly traditional, and, I think I can add, hardworking and still law-abiding and God-fearing," he said.

Hewitt—I suppose you joke writers are always looking for a funny thing."

Jewett—"Yes; glad to have met you."

Shows Canada's Loyalty

London Paper Expresses Appreciation Of Reverse To Penny Postage

The London Sunday Times in an editorial headed "Canada leads the way," welcomed the increased British immigrant quota as emphasizing the practical loyalty of Canadians to their British stock, but fears that the proper advantage may not be taken of it in Great Britain. The newspaper quotes further encouragement both of propaganda and finance. The Sunday Times also expresses appreciation of the penny postage and finds in it "a signal proof of Canada's strong imperial sentiments."

After urging Hon. Winston Churchill, chancellor of the exchequer, to follow Canada's example the Sunday Times advocates a common empire stamp which, it states would have a real psychological value as a symbol of imperial unity.

Fresh Supplies In Demand.

Wherever Dr. Thomas' Electric Oil has been introduced increased supplies have been ordered, showing that wherever it goes this excellent Oil impresses its power on the people. No matter in what latitude it may be found its potency is never impaired. It is put up in most portable shape in bottles and can be carried without fear of breakage.

Kellogg Explains Treaty

The Paris pact for renunciation of war commits none of the signatories to it to go to war in defence of any country attacked in defiance of the treaty, Secretary of State, Frank B. Kellogg, informed the Senate committee on foreign relations during the recent hearings. He added that Canada made it plain that the Dominion would not be a party to the treaty unless that was understood.

Minard's Liniment prevents Flu.

Proves Columbus Was Spaniard

A document found in the archives of Pontevedra Parish, mentioned that place as having been the birthplace of Christopher Columbus. It thus bears out the claim that the discoverer of America was a Spaniard and not a native of Genoa, Italy. The document contained a description of the burial of Columbus.

LAXATIVE FOR BABY THAT "STAYS DOWN"

Baby's tiny system rebels against castor oil and strong purgatives; but here's a medicine that just suits him. And it does the work quickly and so gently that Baby doesn't feel it. Fletcher's Castoria is soothing cross, fretful babies and children to sleep and making the feverish, constipated, upset ones well and happy. In millions of homes today, Castoria is purely vegetable, harmless and endorsed by the medical profession. Avoid imitations. The Chas. H. Fletcher signature marks genuine Castoria.

Frenchman Invented Eyelet

French celebrated recently the centenary of the birth of the metal eyelet. Francois-Jean-Guillaume Gobin-Daude was the inventor. The first application of the eyelet was to corsets and it gave that industry a great impetus. Eyelets later were put in shoes.

Awful Asthma Attacks

Is there a member of your family who is in the power of this distressing trouble? No service you can render him will equal the bringing to his attention of Dr. J. D. Kellogg's Asthma Remedy. This remarkable remedy rests its reputation upon what it has done for others. It has a truly wonderful record, covering years and years of success in almost every part of this continent, and even beyond the seas.

An acquaintance says the most undesirable place in the world to live is beyond one's income.

Minard's Liniment for the Grippe and Flu.

The palatial stables of the former German Kaiser have been converted into Berlin's first indoor tennis court.

For Colds —

How many people you know who end their colds with Aspirin! And how often you've heard of its prompt relief of sore throat or tonsillitis. No wonder millions take it for colds, neuralgia, rheumatism; and the aches and pains that go with them. The wonder is that anyone still worries through a winter without these tablets! They relieve quickly, yet have no effect whatever on the heart. Friends have often told you Aspirin is marvelous; doctors have declared it harmless. Every druggist has it, with proven directions. Why not put it to the test?

Aspirin is a Trademark Registered in Canada

ASPIRIN

APPROVE NEW RURAL SCHOOL PLAN IN ALBERTA

Edmonton.—Approval of the Baker rural school plan, sponsored by the Alberta government, was voiced by the convention of the United Farmers of Alberta here. A vote, taken on the questions, favored approval of the Baker system by 203 to 161. According to the resolution the convention favored raising funds by grouping rural school areas in one district under a flat mill rate on assessed valuation.

Hon. Perren E. Baker, minister of education in the Alberta government, was the most prominent figure in the discussion on the system which bears his name. In the midst of a debate he was summoned into the argument at the request of the farm delegates. After outlining his system, the minister of education answered queries on the matter until the program was halted. According to the projected system, the province would be divided into 20 divisions of 15 school districts each. Chairmen of the district boards to form a general board, which, with the minister of education, would supervise rural educational matters in Alberta. Selection, placing and payment of teachers under the Baker plan, would be handled by the general board.

In the discussion on the Baker idea "government by proxy" was quoted as a name for the proposed mode of rural educational supervision. It was claimed that, regarding single taxation areas, "none would stand for a blanket tax assessed by a bureau of the government."

In answering his critics, Mr. Baker denied the "bureaucracy" and "government by proxy" allegation, and stated that matters would be governed by appointed representatives of the ratepayers. He estimated that the increase in taxation, necessary to pay for the better supervision the new system would involve, would be covered by a three-quarter mill increase over the entire rural area. And he contended that the new plan would place experts in charge of the allocation and selection of teachers.

Farm Loan Board

Ottawa.—While no announcement has yet been made as to the personnel of the farm loan board who will act with Dr. J. D. McLean, former Premier of British Columbia, and recently appointed to the chairmanship of that body, the understanding in the capital is that Hon. E. C. Drury, former premier of Ontario and Beaudry Leman, president of the Banque Canadienne Nationale will be named.

Gigantic Wave Strikes River

New York.—Lenardo Floroni, cook, was killed and several other members of the crew were injured by a gigantic wave that surged over the bow of the White Star liner Majestic on the crossing completed when the ship docked here. The wave twisted steel bulkheads, wet the mail, ruined part of the cargo and necessitated removal of the 289 third class passengers to other quarters.

Gift For McGill University

Montreal.—A gift of \$5,000 has just been received by the McGill faculty of applied science from Walter W. Colpitts, of New York, to establish a graduate scholarship in civil engineering at the University in honor of Dr. John Densall Porter, emeritus professor of mining engineering. Mr. Colpitts graduated in 1899 from McGill faculty of applied science.

Again Heads Alberta Farmers

Edmonton.—Opposition to re-election of H. W. Wood as president of the U.F.A., was drowned in a vote which swept him into the first executive office for the fourteenth time. To a motion that he be "retired" as honorary president was added an amendment that he be made president. The amendment was passed by overwhelming vote.

W. N. U. 1769

Woman Leads Defence In Murder Trial

Praised For Plea in Old Bailey, But Failed to Receive Acquittal

London.—Miss Venetia Stephenson failed to secure acquittal at the central criminal court of the first man she had defended on a charge of murder, John Holmy Ward, aged 24. The jury without much delay returned a verdict the prisoner was guilty of the murder of his grandfather, a bookmaker, who was found with his skull fractured in Pimlico. But she received the warmest congratulations upon her case for the defence from Mr. Justice Humphries.

Miss Stephenson eschewed any attempt at rhetoric. "I am fighting for this young man's life and if words fail me it is because I appreciate the responsibility that rests on me," she said.

Miss Stephenson, however, used carefully chosen sentences when she passed to a review of the evidence, urging the manner in which the accused's grandfather met his death was consistent with the younger man defending himself from attack by the elder.

"I know you will not let sympathy for the dead over-ride justice for the living," were her last words. "This is the most solemn moment of my life and I leave this young man's life in your hands, with a prayer that God might lead you to the right conclusion."

His Lordship in summing up said it was difficult to accept the theory of self-defence.

Western Pioneer Dead

Major Augustus Mills Came to Winnipeg in 1870

Winnipeg.—A pioneer of early western Canadian military expeditions, Major Augustus Mills, 79, is dead at his home here. He came to Winnipeg in 1870 as a member of the first Lord Wolseley expedition and later participated in the rebellion in 1885 as a captain in the Kilodan Infantry, which made a far western march in search of the Indian chief, Big Bear.

For a time he was a Dominion government land agent and then, in 1883, was appointed deputy prothonotary at the Manitoba law courts, a position which he held at the time of his death.

Free Trip Offered Students

Paris.—A free trip from Montreal to Paris with expenses for a 15-day sojourn at his hotel to the student graduating with highest honors at Canadian Universities is to be offered by J. G. Metrailler, administrator of a Paris Hotel, if arrangements can be made with Canadian University heads. Metrailler is president of several hotels in France and Switzerland.

Air Pilot Killed

Toledo, Ohio.—Ted Hay, 30, pilot for Trans-continental Air Transport Company here, was killed when his plane crashed as he was attempting to land. Witnesses said one of the wings of Hay's ship collapsed as the aviator soared 75 feet above the field for his landing. The low altitude apparently prevented him from righting the plane.

Will Participate In Scheme

Regina.—Manitoba will again participate in the British boy immigration scheme it has been announced by Hon. Albert Prefontaine, Minister of Agriculture for Manitoba who stated that a requisition would be forwarded to the British authorities to bring 50 youths to that province this spring.

Find Tanks of Amundsen Plane

Paris, France.—The French builders of the Latham Plane in which Roald Amundsen and his companions were lost while hunting the wrecked dirigible Italia, in the Arctic, announced that fuel tanks found floating off Norway exactly conformed to those used on the Amundsen plane. Five others were lost with the famous explorer.

Tennis Champion Engaged

Berkley, Calif.—Engagement of Helen Wills, national women's tennis champion, to Frederick Shander Moody, Jr., San Francisco stock broker, has been announced.

RETIRE FROM BUSINESS

After 42 years as assistant manager of western business for the Canadian Bank of Commerce, C. W. Rowley has retired from business. He is recognized as one of the leading bankers of Canada, and is well known in the west.

Railroad Wreck Was Caused by Drunkenness

Roumanian Train Crew Responsible For Death of Fourteen Persons

Turnus-Severin, Roumania.—Railroad inspectors said that drunkenness on the part of the engineer and crew of the Bucharest-Temessevar express cost the lives of 14 persons. In addition to the fatalities about two score passengers were injured at Pruniscoru, near here, when the express crashed into a local train which had been derailed.

The express was plunging along at 55 miles an hour in the dead of night when the crash occurred. The engineer of the express, which was heavily laden, was apparently blind to all signals. In their excitement over the derailed local train station officials apparently forgot about the onrushing Bucharest express, which ploughed into the passenger coaches of the local train like a catapult.

Children Victims of Ranch Fire

Winnipeg.—Two young children, one six months old and the other two years, were burned to death when fire destroyed a ranch home near Arden, Manitoba, south of here.

Great Increase Shown In Canadian Trade

Advance of Nearly 235,000,000 During Last Nine Months

Ottawa.—Canada's total trade advanced nearly \$235,000,000 during the last nine months of 1928. The total of \$2,007,850,158 compares with \$1,773,032,834 for the corresponding period in 1927.

Figures were made available at the department of national revenue. Domestic exports were valued at \$1,071,647,161, an increase of \$121,542,797 over the comparative figures of \$950,104,367 in the previous year. Wheat exports alone moved upward more than \$81,000,000, while newsprint and automobiles were substantially heavier.

Will Sail For England

New Earl of Egmout to Leave About 2nd of February

Calgary.—The new Earl of Egmout, Frederick Joseph Trevelyan Perceval, who for the past thirty years has been ranching in the Calgary district and who recently fell heir to a big estate in Great Britain, will leave about the end of February for England.

He will be accompanied by his fourteen-year-old son and heir, the Hon. Frederick George Moore Perceval, and Mr. and Mrs. Harry Trimmer, of Pridd's, who have been friends of the new earl for many years.

Increase in Dairy Products

Fredericton, N.B.—The value of cheese, dairy and creamery butter in Canada during 1928 will show an increase of more than \$11,360,000 over the preceding year, J. F. Singleton, chief of the dairy markets division of the federal department of agriculture, told delegates to the New Brunswick Dairyman's convention in session here.

Salary Revision For Mail Clerks

Ottawa.—New classification and salary revision for mail clerks throughout the Dominion is considered probable by J. P. O'Farrell, of Quebec, president of the Dominion Railway Mail Clerks' Association. Mr. O'Farrell expressed himself thus after appearing before the Civil Service Commission with proposals along these lines.

CANDIDATE FOR THRONE

Count Folke Bernadotte, of Sweden, shown above, with his bride, formerly Miss Estelle Manville, of Pleasantville, N.Y., is one of the two foremost candidates for the throne of the United Baltic Kingdom, which it is proposed to form by merging Estonia, Latvia and Lithuania.

GERMAN PLAN FOR NEW CRUISER IS PUBLISHED

Berlin.—Publication by the London Review of Reviews of the text of a secret memorandum in which General Groener, German minister of defence, decended the necessity for the construction of a new battle cruiser has caused considerable consternation in government circles here.

As the memorandum was known only to cabinet members and a restricted number of persons official quarters are at a loss to explain how the "leakage" took place and an investigation has been ordered.

It is considered in Berlin that there is no doubt the London publication was from the original text and the indignation of the press is increased because the memorandum was withheld even from members of the Reichstag, who are determined to interrogate the government on the "scandal."

London.—Wickham Steed, editor of the Review of Reviews, said that the Groener memorandum he had published is "perfectly authentic and was not stolen."

"It reached me in an ordinary way through a channel that I trust and I satisfied myself as to its authenticity. They can make all the investigations they like as far as I am concerned."

Discussed Problems Of Egg Marketing

Canadian Producers' Association To Take Matter Up With Government

Toronto.—Egg marketing problems were discussed at the annual convention of the Canadian Producers' Association here. In view of the unprofitable situation which has confronted the dealers on account of surplus supply it was decided that a committee be named to take the matter up with the Dominion government. W. S. Cameron, Toronto, president of the association, suggested that the committee be representative of dealers, exporters and producers.

Alfred McCann, of Cheltenham, Ont., urged that advertising calculated to incure the consumption of eggs should be undertaken by the government.

Mr. Cameron in his presidential address, stated that the season had been a profitable one for the egg producers but on the average it had been unprofitable for the dealers. Consumption per capita in Canada had risen from 16.06 dozen in 1924 to 29.67 in 1927, and he expected the 1928 figures to show more than 30 dozen per capita.

To Aid Paraguay Farmers

Asuncion, Paraguay.—The Paraguay government decided to set aside 25,000,000 pesos credits to farmers who are unable to harvest their grain because of the absence of farm hands in the army mobilized recently in the dispute with Bolivia. The government also is trying to demobilize the farmers first and as quickly as possible.

Ask Customs Rebate

Ottawa.—The government is being asked by the British Columbia Sugar Refining Company to include in the forthcoming estimates the sum of \$36,824.88 with interest, being the balance of \$59,358.83 claimed to have been overpaid by the company in custom duties.

Hundreds Killed By Earthquake

Peking, China.—Hundreds of Chinese were killed in an earthquake in the Northwest part of Shansi province, dispatches published here said. The earthquake occurred near the Mongolian border in a section suffering from a famine.

Fear Revolution

New Orleans, La.—Isaac Lehman, representative of a New York cotton goods manufacturer, arrived here with a report that United States citizens and other foreigners were fleeing Spanish Honduras in expectation of a revolution.

Transient advertisements to be paid for when ordered.

Display advertising rates on application at the office.

Changes of advertisements must reach the office not later than noon Tuesday to ensure insertion in the issue of that week.

E.J.C. GOODER, Editor & Manager.

Proper Hitches Well Explained

All farmers using horses to supply farm power will find some valuable advice on hitches and equalizers for teams of four to twelve horses in a pamphlet recently issued by the Great West Saddlery Co., Edmonton office. Details of the most effective hitches for all sizes of teams are shown by diagrams and photographs.

The booklet has been compiled with the assistance of some of the outstanding University Extension Departments on the Continent and includes comparisons of horse power and utility with power machinery. As measurements are given for the lengths of equalizers so that the proper division will be made among all horses when large teams are used the booklet should prove of great value to all farmers who employ horses.

By means of these hitches one man can easily drive from four to thirty horses with one pair of lines and pull large implements or combinations of implements. It is claimed that horses so hitched in large team, considerably reduce labor costs and that they are the cheapest form of farm power.

A copy of the booklet will be sent upon request by the Great West Saddlery Co. Ltd., Calgary.

LOCAL & GENERAL

Mr. E. G. Ranton was a business visitor to Calgary on Tuesday.

A list of the prizes for the local bonspiel will appear in next week's issue of the Pioneer.

Mrs. E. G. Ranton spent a few days last week at the Capital city.

A meeting of all the curlers will be held at the rink Monday 28th, at 8:30 sharp.

Judging by the number of sales advertised in this issue Jim Phillipson is a Busy Woman.

Mr. Ed. Ford returned to Didsbury last Thursday after spending Christmas and New Years at his home at Hanover, Ont.

The long waited picture, Charlie Chaplin in "The Circus," at the Opera House, Didsbury, Wednesday, January 30th.

Mr. Russell Berscht motored to Calgary the first of the week and attended the "Dumbbells" Monday night.

Snell & Carter, Registered Optometrists, Red Deer, will be in their office over the Royal Bank on Monday, February 4th. 04-2c

Messrs. A. R. Kendrick, Tom Johnson, D. Edwards and D. Sinclair are attending the Calgary bonspiel this week.

Mr. Milton Moyer of Stony Plain, an old-time resident of Didsbury, was a visitor in town last week.

"Bargain Night," Saturday, January 26th, Double program — Lillian Jish in "The Wind," and Hoot Gibson in "Clearing the Trail," at the movies, Didsbury. Hoop'er up Cowboy!

The Didsbury local U.F.A. will have a car of coal on the track in a few days. Will members requiring seed oats give particulars to W. J. Scheidt, W. J. McCoy, D. Irwin, or J. D. Thomas, Sec. 04-1c

A survey of current publication places the Family Herald and Weekly Star of Montreal in the lead for variety and quality of reading. Always recognized as a steady guide and counsellor to the farmer the survey proclaims it almost as equally popular in urban homes.

R. B. Behan, elevator operator at Namaka, had quite an interesting experience recently. On Nov. 10th last he shipped car C.P. 232-320 to the Pool terminal at Vancouver. Exactly 18 days later he shipped the same car to the same place.

A Sure and Economical Way to Reach the People

Advertising is one of the most important parts of any business, and it is the one part that is often most neglected. Some merchants fail to realize its importance until too late.

Good advertising has a far reaching effect on the public. The whole world now realizes that merchandise persistently advertised is the kind to buy.

The public has shown, and will continue to show, its preference for stores that advertise, so it is vitally necessary that every business concern use advertising as a sure way to securing and retaining their trade.

The word "Service" in business has undergone a change—much has been added to its duties—and advertising is now one of the important duties of service.

The PIONEER, with its splendid advertising service and circulation covering this territory, is the one sure and economical way to reach the people.

Burnside Notes

Mrs. Dick Metz who spent a couple of weeks visiting friends in Edmonton, is home again.

About 50 young people visited Alice Miller last Thursday evening, it being her birthday. Everybody had a good time.

We are sorry to hear that Mrs. Agnes Patterson is quite ill at present with the flu.

Mr. Harry Pearson had the misfortune to upset with a load of hay one day last week and falling heavily to the ground, badly bruised his face and side.

The Junior U.F.A. will meet on Monday evening, Feb. 4th, instead of Wednesday as usual.

Mr. Alf Thompson spent Sunday with Mr. Clarence Cipperly.

Don't forget the dance in the Lone Pine Hall on Fri., Jan. 25th.

The Hall Board annual meeting will be held on Wednesday evening Feb. 6th.

Mr. A. Allen of the local Royal Bank staff is relieving in the Bank's branch at Carstairs this week.

Mrs. Stock of Olds was a visitor at the home of her daughter, Mrs. J. Boorman last week.

The McCloy rink which attended the bonspiel at Drumheller last week, won first in the Yellowhead competition and 2nd in the Big Horn. The rink consisted of Teskey, Sanderman, Kaufman and McCloy (skip).

GRAIN COMMISSION TO SIT IN ALBERTA

Authority has been given by the provincial government, under The Public Inquiries Act, to the commission appointed by the government of Saskatchewan, on the grading and marketing of grain, to hold sittings in Alberta.

This action has been taken at the request of the commission itself, which has felt that in order to make its inquiries as complete as possible, it should extend them to this province also, which it could not do unless clothed with some authority from the Alberta Government. Desiring to co-operate with the sister province and to facilitate the work of its commission as much as possible, the necessary powers have now been conferred upon the commission, which will therefore have the right to hold sittings in Alberta on the same basis as in its own province. It is not known how many sittings will be held, but presumably the larger centres will be included in the itinerary and possibly some of the leading rural shipping points.

Improved Farm

Containing 636 acres N.W. 1/4 Section 16, N.E. 1/4 Section 17 and the S. 1/2 of Section 17, all in Township 31, in Range 3, W. 5.

This property is situated 10 miles west of the Town of Didsbury, on the C.P.R. line Calgary to Edmonton.

CULTIVATION: 345 acres cultivated and the balance of the land can easily be broken. The soil is black loam with clay subsoil. All fenced and cross fenced.

BUILDINGS: Frame house, bungalow type, 16x22 and 14x36, valued at \$4,000; frame stable 16x70, with loft 10x16; frame barn 20x30, with full loft; granaries 10x12x18 and 14x16x7; hen house 14x18; and garage.

The projected line of the C.P.R. from Crossfield to run in a north-westerly direction will bring this property closer to railway.

We will sell the property as a whole; or the N.W. 1/4 16 and N.E. 1/4 17 together and either quarter of the S. 1/2 of Section 17.

Provincial Archives Collecting Material

In the Provincial Library, under the direction of Hon. George Hoadley, there is a branch of archives of the Province in which a large amount of source material of Alberta history has already been gathered. This branch is anxious to secure any manuscripts or journals containing the memoirs of early settlers which will serve as a historical record of the beginning of community life, or any information respecting the existence of the same, also any existing early photographs of important persons and events. Communications dealing with the above may be addressed to Mr. J. A. Jaffary, Provincial Librarian and Archivist, Edmonton.

U.F.A. CONCLUDES SUCCESSFUL CONVENTION

The annual convention of the U.F.A. and U.F.W.A. of Alberta held in Edmonton during the past week has been one of the most successful events in the history of the organizations. H. W. Wood, the veteran

president of the U.F.A., was unanimously re-elected to this office for his fourteenth successive term. Mrs. R. B. Gunn who has retired from the leadership of the U.F.W.A. after five years service in this position will be succeeded by Mrs. A. H. Warr of Waskatenau.

Here's one. Alf informs us there are 194 shades of silk stockings. We would suggest that he stop loitering on the way to work at the bank.

Mr. and Mrs. C. F. Dooley attended the Dumbbells' performance at Calgary Monday night.

Gas Forces Woman to Sleep in Chair

"Nights I sat up in a chair, I had stomach gas so bad. I took Adlerika and nothing I eat hurts me now. I sleep fine."—Mrs. Glenn Butler.

Even the FIRST spoonful of Adlerika relieves gas on the stomach and removes astonishing amounts of old waste matter from the system. Makes you enjoy your meals and sleep better. No matter what you have tried for your stomach and bowels, Adlerika will surprise you.

The piles of old London Bridge taken up in 1827 were still sound after six and a half centuries of use. They were made of oak.

GLIMPSES FROM THE PAST

20 YEARS AGO

Born—On Fri., Jan. 15th, 1909, to Mr. and Mrs. J. H. Bellamy, a daughter.

Married—On Wednesday, January 20th, 1909, J. Cressman to Miss Weber.

The Didsbury Hockey team defeated Red Deer 3-1.

15 YEARS AGO

J. V. Berscht has been appointed Registrar of Births, Marriages and Deaths for this district.

Bert Cressman, of Jones Bros. & Teare, left on Friday evening for a few weeks holiday at Seattle and other points.

London, Jan. 21.—Lord Strathcona died at 1:55 this morning.

10 YEARS AGO

Miss Emily Moyle entertained a few friends on Friday afternoon last in honor of her visitors, Mrs. R. Moore and Miss Norah Moore, of Calgary.

Miss Moran, an experienced dry goods clerk from Calgary, has accepted a position in A. G. Studer's store.

The Carstairs Journal contains an announcement of the marriage of Walter M. Reitzel, son of Mr. and Mrs. E. G. Reitzel, to Miss Ethlyn C. Riddell of Carstairs, at Edmonton, on Jan. 11th, 1919. The happy couple will reside at Bentley where Mr. Reitzel is manager of the Union Bank branch.

This contains an outline of the changes in the school system to be introduced to the Legislature at the coming session. Additional copies of this publication may be secured at any time from the Department of Education.

INSTALLATION O.E.S. OFFICERS

The annual installation of officers of St. Hilda's Chapter O.E.S., took place in the Masonic Hall, Tuesday evening, January 15th.

Visitors from Olds and Carstairs, and a number of Masons and their wives were present to witness the installation ceremony, which was conducted by Mrs. Leadbetter, P.W.M., and Mrs. Phillipson, P.W.M.

The officers installed were as follows:

W.M. Mrs. Lowrie.
W.P. Jas. McDougall.
A.M. Mrs. Cecil Studer.
A.P. H.O. Tonjum.
Sec. Mrs. Edwards.
Treas. Mrs. Rennie.
Cond. Mrs. Evans.
A.C. Mrs. Adshead.
Chaplain, Mrs. Sexsmith.
Marshall, Miss Owen.
Organist, Mrs. Mertens.
Adah, Mrs. Hughes.
Ruth, Mrs. Barrett.
Esther, Miss Saugstad.
Martha, Mrs. Boorman.
Electa, Mrs. Morgan.
Warder, Mrs. Shiels.
Sentinel, D. Hughes.

Following the installation, Mrs. Hillyard, Worthy Matron for the past year, was presented with her Past Matron's Jewel, while Mr. Leadbetter, who has so ably filled the office of Worthy Patron for several years, was presented with an O.E.S. eversharp pencil. Presentations were also made to Mrs. Leadbetter and Mrs. Phillipson, all of whom replied in a very pleasing manner.

Lunch was then served, which was followed by a short program, after which the crowd dispersed after the singing of Auld Lang Syne.

1928—Great was the fall thereof.

MONKEY AND PICKANINNY VIE

NO—the little figure is not an effigy of Pan playing his pipes to inveigle the wood-nymphs; it is a young monkey who consented to pose for the official photographer on the Canadian Pacific cruise to South America and Africa last year. The camera-man, somewhat irreverently, titled his picture, "Boy, page Mr. Darwin."

Monkeys, frightfully dressed Zulu ricksha boys, frightfully undressed Zulu belles and completely undressed pickaninnyes vie with the rushing, roaring Victoria Falls; with Pao de Assucar—more familiarly known as the "Sugar Loaf"—from which a marvellous view of Rio de Janeiro is obtained; with the tomb of Cecil Rhodes, mighty Empire-builder from which, carved

in the living granite of a huge boulder topped with a bronze slab the spirit of the founder of Rhodesia can survey his handiwork; with the stranger sights, sounds and smells of the bazaars of Port Said and the majesty of Vesuvius frowning on the fateful city of Naples famed for the gaiety of its life despite the ever-present menace of the world's most famous volcano for supremacy in the memory of the voyagers when they sit back in their easy chairs at the end of the voyage.

Wherever the "Duchess of Atholl" calls her passengers will see new sights, their ears will meet strange sounds and they will gather impressions that will endure of many of the different races and countries of which this world consists.

And when it is considered that the cruise, starting from New York January 22nd, 1929, will visit Jamaica, Trinidad, Brazil, Argentina, Uruguay, South Africa, Tanganyika, East Africa, Kenya, the Sudan, Egypt, Italy, Monaco, France, Gibraltar and England, the sights depicted above are not really needed to indicate the "infinite variety" of this "cruise of contrasts."

The visit of the R.M.S. "Duchess of Atholl" during the three months of the cruise will provide an opportunity for citizens of ports in these various countries to see the new 20,000-ton Canadian Pacific liner—and to realize the strides the great Dominion is making. The ship is equipped with an individually controlled ventilation system that makes it ideal for tropical climates.

**CONSTIPATION
RELIEVED
... QUICKLY**

CARTER'S LIVER PILLS
This Purely Vegetable Pill will move the bowels without any pain and depressing after effects. Sick Headache, Indigestion, Biliousness, Bad Complexion quickly vanish. Children and Adults can easily swallow Dr. Carter's tiny, sugar coated pills. They are free from calomel and poisonous drugs. All Druggists 25c and 75c red pkgs.

**WORLD HAPPENINGS
BRIEFLY TOLD**

The Kellogg anti-war treaty has been ratified by the Senate at Washington.

An increase of \$25,000,000 in the fund for prohibition enforcement has been approved by the U. S. appropriations committee.

Captain Hermann Koehl, pilot of the first westward trans-Atlantic airplane, Bremen, was injured at Arosa, Switzerland, when he crashed while skiing.

American "Friends of the Prince of Wales" have come forward with an anonymous gift of \$100,000 for the relief of distress in the coal fields, it was announced in London.

It is understood the salary of Sir Basil Blackett, newly appointed chairman of the merger company controlling Imperial wireless and cable communication will be \$40,000 a year.

A fund opened by a Toronto newspaper for relief of the unemployed of Great Britain reached a total of \$28,094. The money was sent to swell the Lord Mayor's fund being raised throughout Britain.

**THOUSANDS OF MOTHERS
USE NO OTHER MEDICINE**

Baby's Own Tablets Are the Ideal Remedy For Babies and Young Children

Canadian mothers are noted for the care they give their little ones—the health of the baby is most jealously guarded and the mother is always on the lookout for a remedy which is efficient and at the same time absolutely safe. Thousands of mothers have found such a remedy in Baby's Own Tablets and many of them use nothing else for the ailments of their little ones. Among them is Mrs. Howard King, of Truro, N.S., who says:—"I can strongly recommend Baby's Own Tablets to mothers of young children as I know of nothing to equal them for little ones."

Baby's Own Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Modern Books Short Lived

The life of modern books is much too short. When a good novel comes out it has its time of triumph, which seldom lasts beyond a year. After that it falls out of discussion, and instead of regiments of readers there are none at all. In July 200,000 people may be seeking a book and talking about it, and even reading it, and then with the first frost the matter is dropped entirely. When a popular success begins to decline it falls faster than an albatross.

The Friend Of All Sufferers.—Dr. Thomas' Electric Oil is a valuable remedy to all those who suffer pain. It holds out hope to everyone and realises it by stilling suffering everywhere. It is a liniment that has the blessing of half a continent. It is on sale everywhere and can be found wherever enquired for.

Disgruntled Patron (leaving cinema)—"I've never seen a rotten picture!"

Commissionaire—"Ever 'ad yer photo took?"

**Always Keep Cuticura
Preparations On Hand**

Sample Each Free by Mail. Address Canadian Depot: "Bathhouse," 144, Montreal. Price, Soap 25c. Ointment 25c and 50c. Talcum 25c. Cuticura Shaving Stick 25c.

Industrial Manitoba

Agriculture Has Now To Take Second Place To Manufacturing In Western Province

Agriculture now has to take second place to industrial manufacturing in Manitoba, according to figures of the Industrial Development Board. An estimate made by the Board places the output of manufactured goods in Manitoba this year at \$159,252,000, as compared with \$132,000,000 during 1927. The agricultural wealth produced in 1927 was placed at \$147,000,000.

**"Flu" "flu" "Flu"
It Is Everywhere**

**DANGEROUS PNEUMONIA
MAY FOLLOW UNLESS A
GOOD RECOVERY IS MADE**

With so much Grippe and Flu about, no one can afford to neglect even a simple cold. For a real protection against "Flu" many experienced nurses advocate the following simple treatment.

Put a saucepan containing one pint water on the stove; then add one-half teaspoonful of Catarrhazone, and bring to a boil. Bend over the steaming water; wrap a towel over your head so that it also covers the pan. Let the steam rise so you can inhale it. Breathe in the vapor deeply. The healing fumes of Catarrhazone will quickly disinfect your nose throat and lungs. Flu germs are destroyed.

You can prevent Grippe, Flu and Influenza by using Catarrhazone. It is healing soothing, safe and efficient. To stop colds, sore throat, or Catarrh, nothing is more satisfactory than Catarrhazone. Even to sit in a room with Catarrhazone Vapor rising from a pan of boiling water is a wonderful protection to children and over-comes all sorts of winter coughs and colds. All druggists sell Catarrhazone, 50c. a bottle.

First American Forest Law

Was Written In Massachusetts Colony On March Twenty-Ninth, 1626

The Pennsylvania department of forests and waters at Harrisburgh recently conducted an investigation revealing that the first American forest law was written in the New Plymouth Colony, in Massachusetts.

The original American forest law read as follows:

"Orders agreed on several times for the general good of the Colony:

"It was decreed by the Court held on the 29, of March Anno, 1626 That for the preventing of which inconveniences, as does, and may befall the plantation by the want of timber, that no man of what condition soever sell or transport any manner of works or frames, for houses, planks, boards, shipping, shalop, boats, canoes or what so ever may tend to the destruction of timber aforesaid."

Miller's Worm Powders not only exterminate intestinal and other worms, but they are a remedy for many other ailments of children. They strengthen the young stomach against biliousness and are tonic in their effects where the child suffers from loss of appetite. In feverish conditions they will be found useful and they will serve to allay pain and griping in the stomach, from which children so often suffer.

Will Burn Ice

Burning out of ice on the St. Lawrence River will be attempted by Dr. Howard T. Barnes, of McGill University, with whom the government has made an agreement from the department of marine and fisheries, the purpose being to free Montreal harbor from the grip of winter earlier than usual and to prevent the flooding of the country between it and Sorel.

The latest wonder of agriculture is a cabbage plant which produced six heads of cabbage in turn, one above the other.

WEIGHING OF FOOD

You have suffered the annoying experience of having stringy foods wedge between your teeth; and you wonder what can be done to remedy it.

Normally, teeth should be tight together with rounded contacts as when two marbles touch; but through tooth decay and from teeth "drifting" this contact is lost.

The food then "jams" between the teeth and is held there until released—with what results?

Obviously, decay is liable to be incited in this area.

Also this impacted food material presses upon the soft underlying tissues, until they become irritated and inflamed. Thus injured, they lose their "tone" and fall an easy prey to the microorganisms that caused diseases.

Then follows the destruction of this wedge shaped tissue between the teeth; a "pocket" is formed, which, becoming infected, results in the progressive destruction of the supporting structures of the teeth, which are then lost.

You see then, what grave damage can result from so simple a cause.

Now, the remedy. It is not the tooth-pick, which, through its indiscriminate use, may do further harm, and which at best provides but temporary relief.

But, where this "wedging" is first noticed, the insertion of a filling in one or both of the involved teeth to restore the contact, will clear up the trouble.

This may even necessitate the removal of a faulty filling already in place but far better this than to suffer the prolonged discomforts from "wedging" food, with its train of grave consequences, should it go unchecked.

**Cutting Corns With Razor
Leads To Lock-a-v**

Don't cut corns with an old razor blade. Infection, followed often by death may result from paring corns with an infected razor. Quick, safe relief comes from using PUTNAM'S CORN EXTRACTOR. If afflicted with corns, callouses or sore foot-lumps, use "PUTNAM'S"—it's reliable, and sure to shrivel up the corns so they drop right off. No pain, no soreness, but quick relief from sore corns comes to all who use PUTNAM'S PAINLESS CORN EXTRACTOR. 25c. at all dealers.

Must Keep Drama Clean

**Bransby Williams, English Actor,
Deplores Modern Tendency**

"I am ashamed of the way in which the stage is being run in the United States, Canada and Great Britain," Bransby Williams, English actor, said in addressing the Brockville Rotary club, adding that, for the sake of the rising generations, the stage has got to be kept clean and the pictures "must be kept cleaner." In moving-picture theatres, he said, boys and girls are today reading titles that are despoiling the English language, and on the stage itself there appears to be no longer room for good, clean, beautiful plays, while the bookstores are full of questionable reading matter.

A pleasant medicine for children is Mother Grave's Worm Exterminator, and it is excellent for driving worms from the system.

Medical men will continue to walk in Bermuda. The House of Assembly has refused to make exceptions to a law prohibiting use of cars on the island.

Corns cause much suffering, but Holloway's Corn Remover offers a speedy, sure, and satisfactory relief.

An editorial typist has lost her job for sending this to a contributor: "The editor regrets that he is unable to make use of the enclosed owing to lack of space."

Saskatchewan mined 470,000 tons of coal during 1928, according to an announcement received from Ottawa. This is the same amount as was produced in 1927.

Minard's Liniment for Coughs and Colds.

W. N. U. 1769

SUNDAY SCHOOL LESSON

JANUARY 27

THE HOLY SPIRIT

Golden Text: "For as many as are led by the Spirit of God, these are sons of God."—Romans 8:14.

Lesson: Joel 2:28, 29; Luke 11:9-13; John 3:5-8; 14:16; 17:26; 15:26, 27; 16:7-15; Acts 2:1-21, 32, 33; Romans 8:1-17, 26, 27; 1 Corinthians 12:1-13; Ephesians 1:13, 14; 3:14, 21; 4:1-6, 30.

Devotional Reading: John 14:25-31.

Explanations and Comments

What the Holy Spirit Will Do, John 16:7-11.—Jesus told His disciples that it was expedient for them, it was for their advantage, for their best interests, that he should leave them. How could it be best for them to lose the daily companionship of their Lord and Master? Jesus gives the answer: "For if I go not away, the Comforter will not come unto you; but if I go, I will send him unto you." The Greek verb from which the Greek noun Parakletos, Paraclete, is derived, means to call, to aid; the noun, therefore, stands for one who is called to another's aid, whether to comfort (comforter), to plead his cause (The Advocate), or to help in some other way (The Helper). The word Comforter used here for Parakletos, means One who strengthens, upholds, rather than One who consoles.

The Holy Spirit is (1) the continued life and presence of Christ Himself. While He was present with the disciples in the body, His humanity obscured in a measure His divinity. When the Holy Spirit took His place he revealed Christ to them, made plain all the spiritual truth of His teachings (verse 13). They knew Him better after He had left them. (2) While Jesus was with them, they were weak men, unable to stand alone. After He went away and left them as witnesses to carry on His work, they became towers of strength, wonderful leaders of men, who continued to do all that He began both to do and to teach. (3) By leaving a few, Christ became the Companion of all. While He was on earth He was with a few men in a small land; now He is with all, everywhere, at all times. He is the universal Spiritual Presence.

"He to His own a Comforter shall send.

The promise of the Father, who shall dwell

His Spirit within them; and the law of faith,

Working through love, upon their hearts shall write

To guide them in all truth."—Milton.

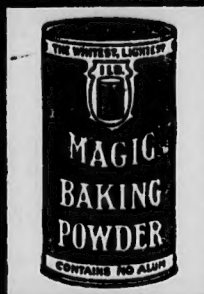

"We have no outside, distant, occasional Saviour, as the disciples had long ago; but His Spirit, His other Self, to abide with us, in us, today, tomorrow, forever."—Maltbie D. Babcock.

Use Minard's Liniment for the Flu.

Customer (doubtfully): "Is it a pedigree dog?"

Dealer: "Pedigree! Why, if this dog could talk he wouldn't speak to either of us!"

When Pain Comes

What many people call indigestion very often means excess acid in the stomach. The stomach nerves have been over-stimulated, and food sours. The corrective is an alkali, which neutralizes acids instantly. And the best alkali known to medical science is Phillips' Milk of Magnesia. It has remained the standard with physicians in the 50 years since its invention. One spoonful of this harmless,

tasteless alkali in water will neutralize instantly many times as much acid, and the symptoms disappear at once. You will never use crude methods when once you learn the efficiency of this. Go get a small bottle to try. Be sure to get the genuine Phillips' Milk of Magnesia prescribed by physicians for 50 years in correcting excess acids. Each bottle contains full directions—any drugstore.

CHAPTER XII.—Continued.

Andy took the wounded bird from her hand. "Ow did it 'appen, Connie?" he asked tenderly.

Connie was as open and unaffected as the wild birds of the forest. She was as capable of hating as she was of loving. Her eyes were laughing eyes, and the soul that looked out of them a merry soul, but she had a temper, and under sufficient provocation her blue eyes could take on a dangerous glow.

She now turned like an enraged lioness on the foreigner. "He killed it with a stick!" she cried furiously. "You brute, you cowardly brute. . . ." In her rage her voice became incoherent. With hands clenched and with breath coming in short gasps, she moved nearer to the object of her hatred. In her hysterical anger her voice rose almost to a scream.

"You cur, if I were a man I'd—I'd lick you!"

The cry came to Donald's ears, and he was off up the trail like a deer.

"Go ahead, I'll follow," responded Gillis.

Andy looked down on the mother goldfinch as it lay in his hand. He felt the quick throbbing of its heart grow fainter and fainter. One wing was broken and its white breast was stained with blood. The bird's head drooped lower, and a film settled over its bright eyes. The beautiful wings stretched rigidly, and it gasped convulsively, sending a tiny stain of crimson from its mouth that felt warm on his palm.

Andy's face became colourless. His hand shook violently as he placed the dead bird tenderly on the ground. "Connie dear," he said, in a voice that trembled, "I ain't a whole man, but 'ere's where you see 'arf a man goin' into battle to give all he's got."

He removed his coat and threw it from him. Through a rage-mist Andy saw the grinning foreigner throw up his arms in an absurdly unscientific posture of defence. Like a mad cat, Andy launched himself

Heart Trouble Hands and Feet Numb and Cold

Mrs. Wm. Fowler, Auburn, Ont., writes:—"Several years ago I was troubled with my heart and nerves, so bad, at times, my hands would become numb and cold. I took doctor's medicine, for a while, but it did me little or no good. I happened to see

advertised and started taking them at once, and continued for some time, and since then I have had no return of my trouble."

Price 50c, a box at all druggists and dealers, or mailed direct on receipt of price by The T. Milburn Co., Ltd., Toronto, Ont.

W. N. U. 1769

cold water of the creek and bathed his face with tender care.

She showed Donald and Gillis the nest with the motherless birds, doomed to die a premature death by this act of wanton cruelty, and pointed to the tiny bird on the ground, for whose untimely end Andy had taken a well deserved and summary vengeance. Connie choked as the lovely male bird flew to a stalk of goldenrod near its dead mate and sent out its throaty warble.

"Dear, dear, dearie," sang the goldfinch in a plaintive, questioning note.

Andy presented a pitiful figure with an eye closed, his lips swollen, his face bruised, but the indomitable spirit of him shone from his one bright orb.

"You darned little buzz-saw!" said Gillis tenderly.

Donald slapped his little friend on the back, his eyes shining with admiration.

CHAPTER XIII.

Renwick announced that Robert Rennie's daughter and a party of girl friends were to visit Summit Lake the following week, and carpenters were set to work erecting cottages for their accommodation.

A few days before her arrival Donald was both surprised and pleased to receive a cordial letter from her in which she said that she was looking forward with pleasure to the coming holiday, and that she would deeply appreciate anything he might do for the entertainment of her friends.

As always, her father spared no expense in providing for the comfort and pleasure of his daughter. That week a car containing a motorboat, canoes and six saddle-horses was run in on a side-track at the mill.

Connie learned of the coming event through Donald as she was watching with keen interest the unloading of the spirited animals.

"You will enjoy yourself next week, Connie," he said gaily. "Miss Rennie is coming with friends. We'll have rides, picnics and dancing."

A few minutes later Connie joined Andy, who sat on the steps of the kitchen door enjoying a breath of fresh air.

"Is Miss Rennie rich, Andy?"

"An 'ole barrel o' dough."

"Is she beautiful?"

"I've 'eard so, Connie."

A short pause ensued while she searched the pockets of her overalls and produced several neatly folded papers. She extracted one, pressed it smooth, then passed it to Andy.

"Does Miss Rennie dress like that?"

Your best move,
Smoke **OGDEN'S**
CUT PLUG

SAVE THE VALUABLE
"POKER HANDS"

It was a photograph of an actress dressed for the street, taken from one of the magazines that Donald had given her.

"I think so, Connie."

"Oh! She must be wonderful, then!" said Connie earnestly.

She moved closer to Andy, unfolded another page, and spread it on her knee.

Andy bent his blond head close to the one of gold. A startled look crossed his features and his brows bobbed up and down. It was a full-page advertisement of ladies' lingerie. The highly coloured illustration of a lady, partially dressed, achieved its object of arresting the eye, while the remainder of the space was occupied by articles of apparel similar to those adorning the lady's graceful form.

Andy coughed. "Er—yes, Connie."

Connie raised her eyebrows incredulously.

"All at one time?"

"Sure—sure," mumbled Andy.

Connie stared. "Why, there must be nearly a dozen pieces. How is this fastened?" she questioned as she

pointed with a slender brown finger to one of the engravings.

Andy took a quick glance. "Buttons."

"And this?"

"Buttons," replied Andy, gripping the bowl of his pipe and sending out clouds of smoke.

"And this?"

"Strike me blind, what a 'ell of an 'ole," thought Andy.

"Buttons," he responded desperately without looking at the paper.

WINDOLITE

The Improved
Glass Substitute

MADE IN ENGLAND

COMES WITH A MESSAGE OF HEALTH

WINDOLITE stands for 100 per cent. sunlight. It makes light but strong windows for cattle sheds, dairy stables, poultry houses, brooders and all out buildings. It is economical, unbreakable, flexible and is easy to cut and fit. It is now being successfully used for sunrooms, verandahs, schools, factories, hospitals, sanitariums, hot beds, plant coverings and greenhouses. It keeps out cold—will not crack or chip—cuts with an ordinary pair of scissors and is easy to fit. WINDOLITE is supplied in rolls any length but in one width of 36 inches only. A square yard of WINDOLITE weighs about 14 ozs., while a square yard of ordinary glass, of the same thickness, weighs about 135 to 140 ozs. The improved WINDOLITE requires no varnish. WINDOLITE is made in England.

Price \$1.50 Per Square Yard, f.o.b., Toronto.

W. I. DISCUSS IMMIGRATION

On Thursday, January 17th the January meeting of the Mountain View W.I. was held at the home of Mrs. Harold Tighe.

A favorable report of the Community Christmas entertainment put on by Rosebud, Gore and Neapolis schools was given.

At Mrs. Blain's suggestion it was agreed to send \$10 to the Wood's Christian Home, Calgary.

The subject of the meeting, Immigration, was capably handled by Mrs. Atkinson. Literature on this subject was obtained from the Extension Bureau, and a profitable hour was spent in reading and open discussion of the various immigration problems.

The next meeting will be held at Mrs. Ed. Blain's home, the subject being Education and Better Schools.

After giving a vote of thanks to the hostess, Mrs. Harold Tighe, the meeting adjourned and refreshments were served.

After giving a vote of thanks to the hostess, Mrs. Harold Tighe, the meeting adjourned and refreshments were served.
